The Office is open every lawful day from 6.45 a.m. till 9 p.m., and on Sunday from 9 till 10.15 a.m. only. For Telegraph business, from 9 till 10.15 a.m. and from 4 till 5 p.m.

### INLAND LETTERS.

The rates of postage, when prepaid, are as follows, viz. :—

For a letter not above 1 oz., .....	1d.
„ above 1 oz. but not above 2 oz.,.....	1½d.
„ „ 2 oz. „ 4 oz.,.....	2d.
„ „ 4 oz. „ 6 oz.,.....	2½d.
„ „ 6 oz. „ 8 oz.,.....	3d.
„ „ 8 oz. „ 10 oz.,.....	3½d.
„ „ 10 oz. „ 12 oz.,.....	4d.

A letter above the weight of 12 oz. is liable to a postage of 1d. for every ounce, beginning with the first ounce. Thus, a letter weighing between 14 and 15 oz. must be prepaid 1s 3d.

A letter posted unpaid is chargeable on delivery with double postage, and a letter posted insufficiently prepaid is chargeable with double the deficiency.

No letter may be above 18 inches in length, 9 inches in width, or 6 inches in depth, unless it be sent to or from one of the Government Offices.

### COLONIAL AND FOREIGN LETTERS.

The rates of postage on letters to the colonies and foreign countries will be found in the Table of Colonial and Foreign Postage.

### INLAND NEWSPAPERS.

Under the “Post Office Act, 1870,” any publication fulfilling the conditions hereafter named can, upon payment of an annual fee of 5s, be registered at the General Post Office to pass within the United Kingdom as a Newspaper for a postage of one half-penny. Without such registration no newspaper is entitled to be sent through the post at less than the book rate of postage.

For each inland newspaper, whether posted singly or in a

packet, the postage, when prepaid, is one halfpenny ; but a packet containing two or more registered newspapers is not chargeable with a higher rate of postage than would be chargeable on a book packet of the same weight, viz., one halfpenny for every 2 oz. or part of that weight.

A newspaper posted unpaid, or a packet of newspapers posted either unpaid or insufficiently paid, is treated as an unpaid or insufficiently paid book packet of the same weight.

The postage must be prepaid either by the adhesive stamp or by the use of a stamped wrapper.

No newspaper can now be sent through the post a second time for the original postage. For each transmission a fresh postage is required.

Every newspaper must be posted either without a cover (in which case it must not be fastened, whether by means of gum, wafer, sealing-wax, postage stamp, or otherwise), or in a cover entirely open at both ends, so as to admit of easy removal for examination. If this rule is infringed, the newspaper is treated as a letter.

Every newspaper must be so folded as to admit of the title being readily inspected.

#### COLONIAL AND FOREIGN NEWSPAPERS.

The rates of postage to the colonies and foreign countries on newspapers registered for transmission abroad will be found in the Table of Colonial and Foreign Postage. Each newspaper is liable to a separate rate of postage, whether sent singly or in a packet, and if above 4 oz. in weight it is liable to two rates of postage, and so on.

The conditions of registration for transmission abroad are the same as those for inland transmission.

#### INLAND BOOK POST.

The postage is one halfpenny for every 2 oz. or part of that weight.

#### COLONIAL AND FOREIGN BOOK POST.

The limit of size for a book-packet addressed to any place abroad is 24 inches in length and 12 inches in width or depth.

#### COLONIAL AND FOREIGN PATTERN AND SAMPLE POST.

There is a Pattern and Sample Post to the colonies and foreign countries generally ; but it is restricted to *bona fide trade patterns and samples of merchandise.*

## FOREIGN CARD POST.

Post Cards for abroad may be sent to all countries comprised in the Postal Union. Post Cards for abroad with impressed stamps of 1d and 1½d each are sold at those rates, and are transmissible to the majority of the countries of the Union without extra charge.

## REGISTRATION (INLAND AND FOREIGN).

The fee for registering a letter, newspaper, book-packet, or other article passing through the post between any two places in the United Kingdom is 2d.

Every article to be registered must be given to an agent of the Post Office, and a receipt obtained for it; and it should on no account be dropped into a letter box.

At all Post Offices the latest time for posting registered letters on the payment of the ordinary fee is entered in the notice exhibited in the Office window; but, upon payment of a late fee of fourpence, in addition to the ordinary registration fee, at all provincial Head Offices, letters may be registered after the hours specified, until the closing of the letter-box for each despatch (exclusive of the time during which late letters are received), or until the Office is closed for the night.

No Town Letter Carrier is allowed to take a letter to be registered; but for the convenience of persons living in country places, where no Post Office is near, letters will be registered by Rural Letter Carriers on their outward and inward walks.

## RE-DIRECTION.

Every inland re-directed letter, post-card, or other postal packet, is liable to an additional postage (at the prepaid rate) for each re-direction, and the re-direction must be made by an officer of the Post Office, unless both the original and the second address be within the delivery of the same Post Office, Sub-Office, or Rural Walk.

A Postmaster is not bound to re-direct letters for a person temporarily leaving his home, and not having a private bag or box, unless the house be left uninhabited.

## DELIVERY.

All Letter Carriers are prohibited from distributing any letters, newspapers, &c., except such as have passed through a Post Office, whether before beginning their rounds, whilst on their rounds, or after they have completed them. Nor are they allowed to receive any payment beyond the postage for the delivery or collection of any letter, &c., nor to deviate from the route laid down to them. The prohibition from receiving payment in

addition to the postage does not, however, extend to Christmas-boxes.

No person living within the town free delivery, or within the limits of a rural post free delivery, unless he rent a private box, can claim to have his letters delivered at the office window if a delivery by Letter Carrier or a despatch by messenger is about to take place; but letters which arrive by a mail, after which there is no immediate delivery by Letter Carrier, may be obtained by any person on application at the Office window, so long as the Office is open for delivery.

### POSTAGE, TELEGRAPH, AND INLAND REVENUE STAMPS.

At every Money Order Office the Postmaster is required to keep, for sale to the public, a sufficient stock of the different postage stamps in use, as also envelopes bearing an embossed penny stamp, registered letter envelopes, newspaper wrappers bearing an impressed halfpenny and penny postage stamps, and inland and foreign post cards. The stamps are of the respective values of  $\frac{1}{2}$ d, 1d,  $1\frac{1}{2}$ d, 2d,  $2\frac{1}{2}$ d, 3d, 4d, 5d, 6d, 1s, 5s, and 10s. The embossed envelopes are made of four sizes. Telegraph stamps at the value of  $\frac{1}{2}$ d, 1d, 3d, 4d, 6d, 1s, 3s, 5s, 10s, and £1.

### POST OFFICE TELEGRAPHS.

The charge for telegrams throughout the United Kingdom is 1s for the first twenty words, and 3d for every additional five words—*i.e.*, for every additional group of not more than five words,—the names and addresses of the sender and receiver not being counted.

### GOVERNMENT INSURANCES AND ANNUITIES.

The Postmaster-General is empowered, under the Act 27 and 28 Victoria, cap. 43, to insure the lives of persons of either sex, between the ages of 16 and 60, for not less than £20 or more than £100. He is also empowered under the same Act to grant Immediate or Deferred Annuities of not more than £60 on the lives of persons of either sex, and of the age of 10 years and upwards.

### MONEY ORDERS.

The public are recommended, when applying for Money Orders, whether inland, colonial, or foreign, to use the printed "Application Forms," prepared expressly for the purpose, which are supplied gratuitously at all Money Order Offices. These forms save time, and afford greater security than verbal messages against mistakes.

The commission on Money Orders is—

For sums under 10s,	...	...	...	...	2d.
„ of 10s and under £2,	...	...	...	...	3d.
„ „ £2 „ £3,	...	...	...	...	4d.

„ „ £9 „ £10,	...	...	...	...	11d.
„ „ £10	...	...	...	...	1s.

No Order is allowed to contain a fractional part of a penny.

No Money Order can be issued unless the applicant furnish, in full, the surname and at least the initial of one Christian name, both of the remitter and the payee, together with the remitter's address. In the case of Colonial and Foreign Orders, the full address of the payee must be given; and if the order be payable to a native in British India, the tribe or caste, and the father's name, must also be furnished.

### POSTAL ORDERS.

A new description of Money Orders, to be designated "Postal Orders," for certain fixed sums from 1s up to £1, are now issued to the public at all Post Offices at which Money Order business is transacted.

The following are the amounts for which Postal Orders are issued, together with the Poundage payable in respect of each Order:—

Amount.	Poundage.	Amount.	Poundage.
1/-	- ½d.	10/-	- 2d.
1/6	- ½d.	12/6	- 2d.

5/-	- 1d.	17/6	- 2d.
7/6	- 1d.	20/-	- 2d.

### POST OFFICE SAVINGS BANK.

Every Post Office Savings Bank is also a Money Order Office, and is open for bank business during the same hours as for Money Orders.

Deposits of one shilling, or of any number of shillings, or of pounds and shillings, may be made by any person at the Post Office Savings Banks, provided that such depositor shall not make deposits amounting to more than £30 in any year ending the 31st December, or make any further deposit when the amount standing to his credit has reached £150, exclusive of interest.

## FIRE INSURANCE.

Every description of Risk accepted at the Lowest

## LIFE ASSURANCE—PARTICIPATION BRANCH.

**T**HE Company offers the advantages of **perfect security**,  
with **great economy** in management, and **moderate**  
**rates** of Premium.

The total expenses in the year 1880 were barely  $7\frac{1}{2}$  per cent. of the Income from Premiums and Interest, or (excluding Commission paid to Agents) less than 4 per cent.

The **whole** of the **Profit**, or surplus ascertained at each valuation, **belongs to the Assured**. The Amount for the five years ending 31st December, 1880, was the largest ever earned in any five years since the formation of the Company, and was sufficient to provide a Bonus of £1 10s per cent. per annum upon the sum assured—or £7 10s per cent. for the whole period—besides leaving £46,310 to be carried forward.

MUTUAL ASSURANCE with MODERATE PREMIUMS.

# SCOTTISH PROVIDENT

INSTITUTION,

No. 6 ST. ANDREW SQUARE, EDINBURGH.

THIS SOCIETY differs in its principles from other Offices. Instead of charging rates higher than are necessary, and afterwards returning the excess in the shape of periodical Bonuses, it gives from the first as large an Assurance as the Premiums will with safety bear—reserving the Whole Surplus for those members who have lived long enough to secure the Common Fund from loss.

A Policy for £1200 to £1250 may thus at most ages be had for the Premium usually charged for (with profits) £1000 only; while, by *reserving* the surplus, large additions have been given—and may be expected in the future—on the Policies of those who participate.

The NEW ASSURANCES effected in 1880 were 1769, for £1,054,566; Premiums received, £399,538; Total Receipts, £566,444. The FUNDS (increased in year by £283,922) were at the close £3,913,252. They now exceed *Four Millions*.

It is a striking fact that, while the Society is 46th among the Offices in point of age, only four Offices now exceed it in amount of Funds.

The COST of MANAGEMENT was 9.4 per cent. on Premiums, and 6.5 on Income. The ratio of Expenditure has steadily fallen, as the Income increased, in each year of the Septennium.

## THE FIFTH SEPTENNIAL INVESTIGATION

Showed a SURPLUS of £624,473, of which a third (£208,158) was reserved for after division, and £410,323 divided among 6662 Policies entitled to participate. Policies of £1000 sharing a first time are increased to sums varying from £1180 to £1300 or more. Other Policies have been raised to £1400, £1500, and upwards. A few of the early Policies have been doubled.

REPORTS, with STATEMENT OF PRINCIPLES, may be had on application to

HEAD OFFICE—19 GEORGE STREET, EDINBURGH.

IN THE FIRE DEPARTMENT Security of the highest order is afforded—the Funds, exclusive of Capital, being equal to 2½ years' Premium Income.

IN THE LIFE DEPARTMENT exceptional Security is also afforded, the Reserves being considerably greater than the amount required according to the very stringent test of a valuation at 3 per cent. interest by the Institute of Actuaries' HM Table.

## FORFEITING OF LIFE POLICIES PREVENTED.

By this Company's **Non-Forfeitable System** it is provided that, so long as the Surrender Value of the Policy is sufficient to meet any over-due Premiums and Interest thereon at 5 per cent., the Policy shall not lapse. One of the chief advantages of the System is that it is **self-acting**, and it effectually prevents the forfeiture of a valuable Policy.

## LOWEST PREMIUMS FOR LIFE ASSURANCE.

THIS BANK receives Deposits of One Shilling and upwards, but not more than £30 in one year, ending 20th November, or £150 in all, which may accumulate, at Compound Interest, till it reaches £200.

Certified Friendly Societies may lodge their whole Funds. The Deposits of other Societies and Charitable Institutions are limited to £100 in one year, and £300 in all.

INTEREST, at a comparatively high rate, is added to the Principal once a year, at 20th November, irrespective of the Depositors' personal attendance at the Bank for that *purpose*, by which they derive the benefit of *Compound* Interest.

GOVERNMENT ANNUITIES, from £4 to £50 a-year, may be contracted for through this Bank. Particulars may be had on application at the Office of the Bank.

The numerous advantages of the Institution will be seen from the Pass-Books, which are given to Depositors free of any charge.

The Funds of the Bank are securely invested, and the whole Accounts are periodically Audited by a professional Auditor unconnected with the Bank.

The total amount of Funds invested 20th November, 1880, was £491,329 12s 3d.

The total number of individual Depositors at the same date was 18,903, embracing members of every section of the labouring and industrial classes.

The Bank opened in 1839 with 859 Accounts; now they exceed 18,000.

The Capital in 1839 was only £3,000; now it is upwards of £490,000.

The utility and success of this Bank are thus sufficiently apparent from the amount of Business which has been done since its establishment in 1838.
